There is a campfire pit by the pond and firewood in the kennel shed. Campfires should only be in the pit provided.

Please watch the campfire and be sure it is out before leaving it unattended. (Please burn any dead and fallen branches or limbs by the pond.) Use water from the pond to douse the fire. There is a bucket provided by the pond.

You may want to bring fire-starters for the campfire, and flashlights, torch lanterns, etc. for the pond area. Please ensure that all used flammable items are cool to the touch before discarding.
